

To whom it may concern

C.J. And Co builders built our new porch in March 2005. From the outset, we were very comfortable with the whole project. The estimate was reasonable and the work was excellently carried out. Nothing was rushed and great care was taken with the finishing. Costos was efficient and reliable and everyone who came to us, was friendly and helpful. Several other small jobs were undertaken and all together, our property has been greatly enhanced by their work.

If you require any other information, please ring us on 01727873726 and you would be most welcome to come and have a look at the work undertaken. If we needed any other building work doing, we wouldn't have to look very far! We warmly recommend Costos to you.
